Practical IX

Roll No.:T006	Name:Nandini Chaudhari
Class:TYIT	Batch:01
Date of Assignment:23-09-2026	Date/Time of Submission:23-09-2026

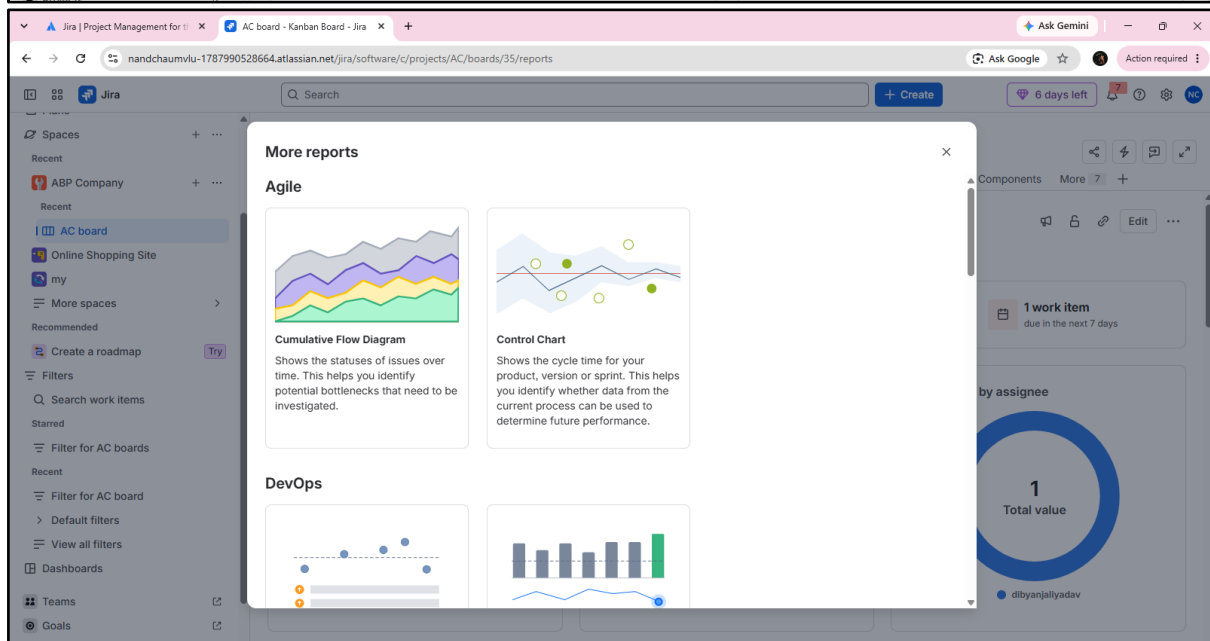

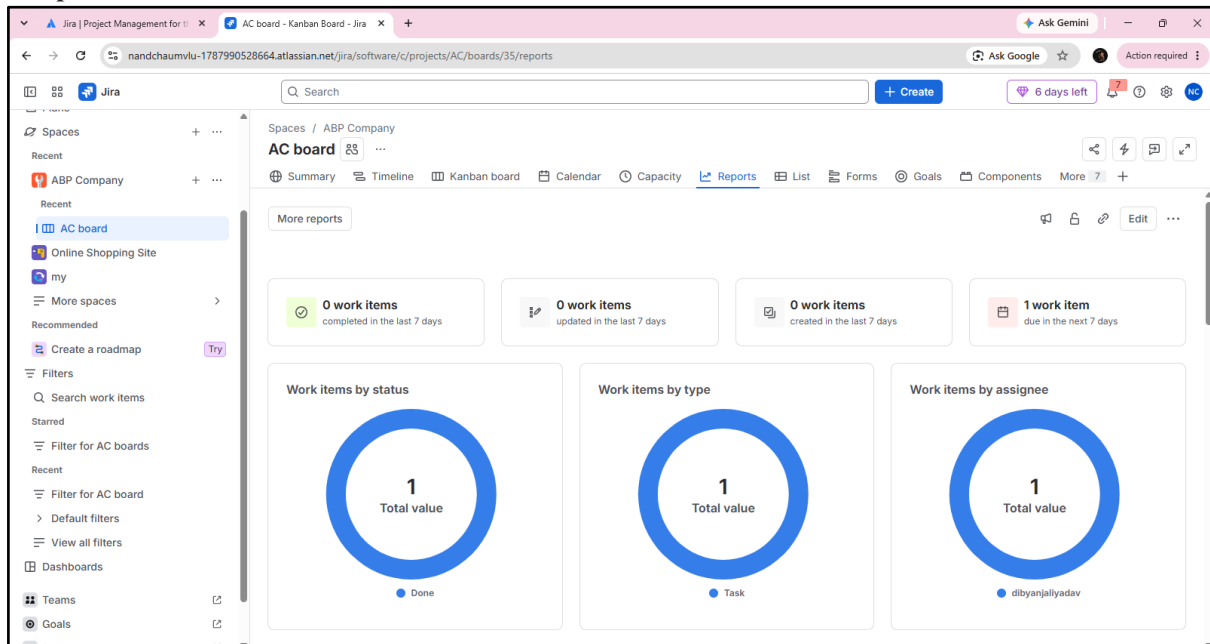

Practical 9: Reports & Dashboards

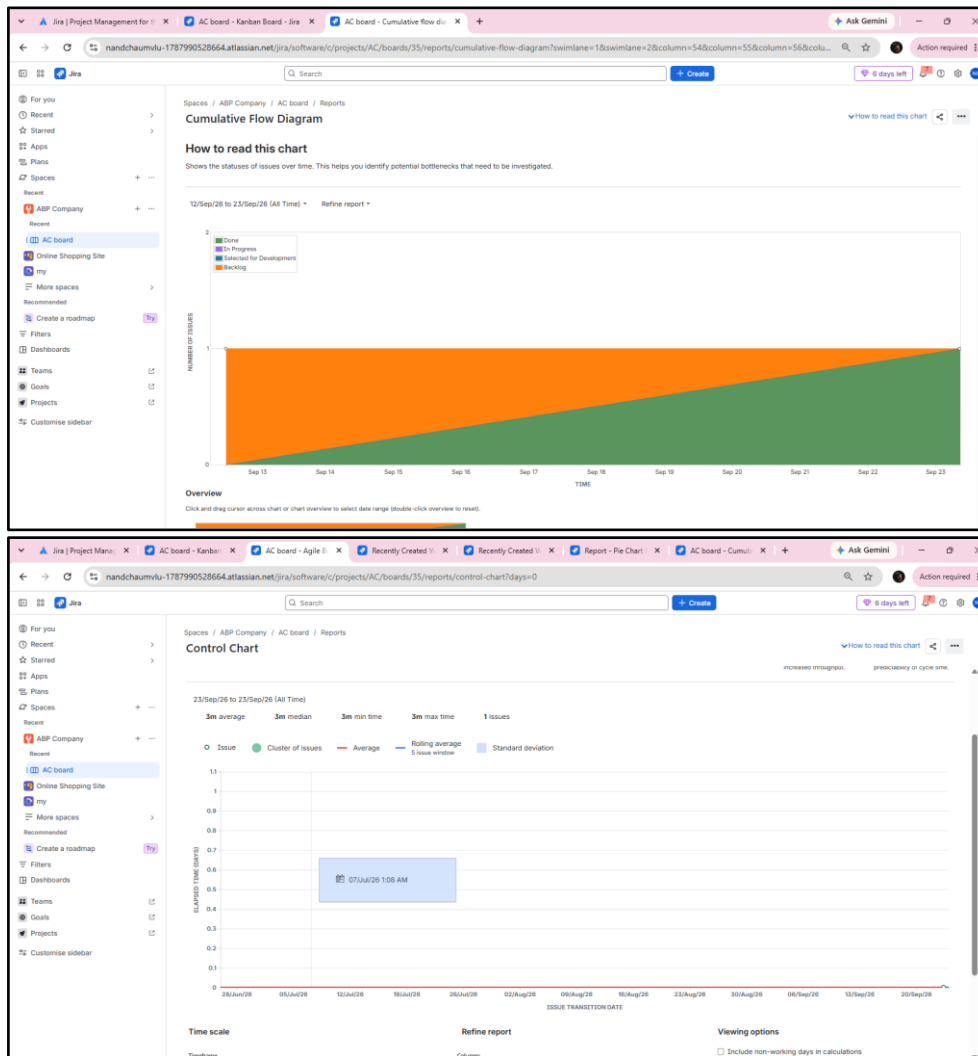

A. Generate Burndown Chart and Velocity Chart.

Steps:-

- 1.Open the Jira project and go to the Reports section.
- 2.Select Burndown Chart and choose the required sprint to view the work progress.
- 3.Open the Velocity Chart and select the required sprints.
- 4.Compare the completed work shown in the charts.
- 5.Observe and record the information displayed in both charts.

Output:-

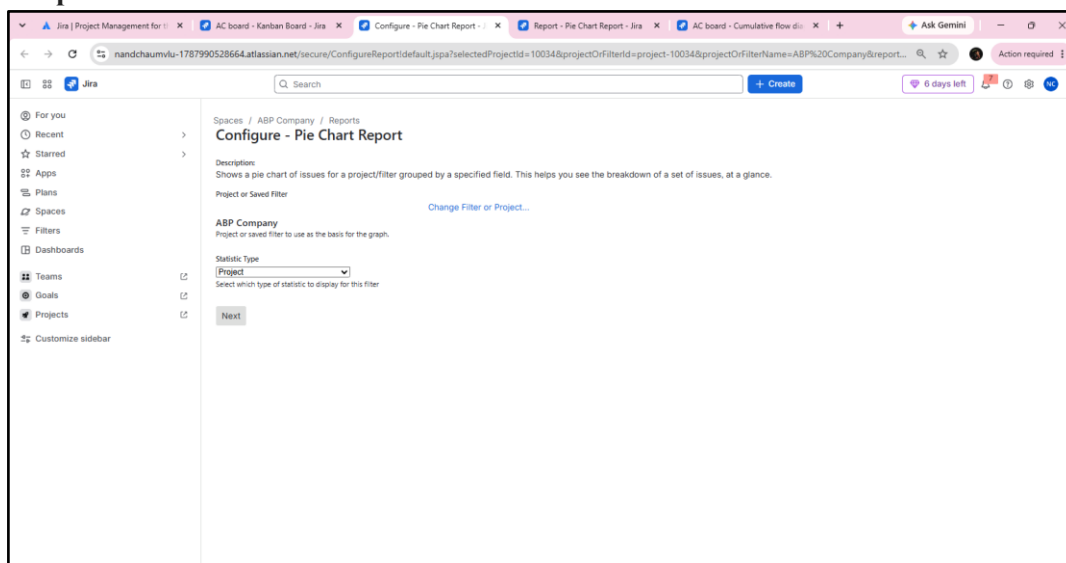

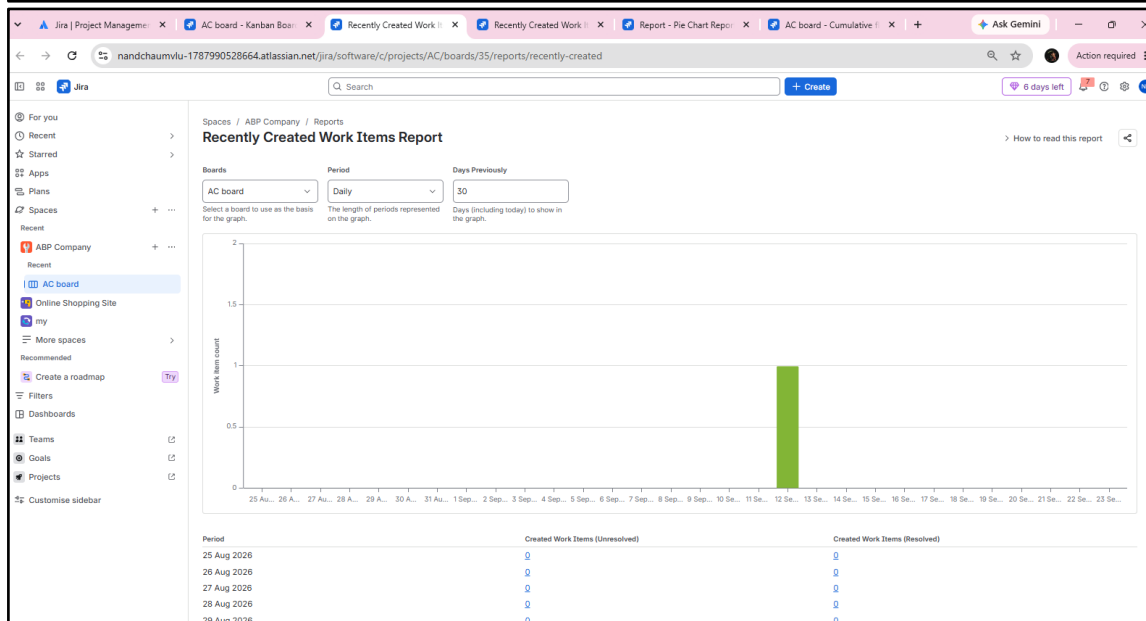

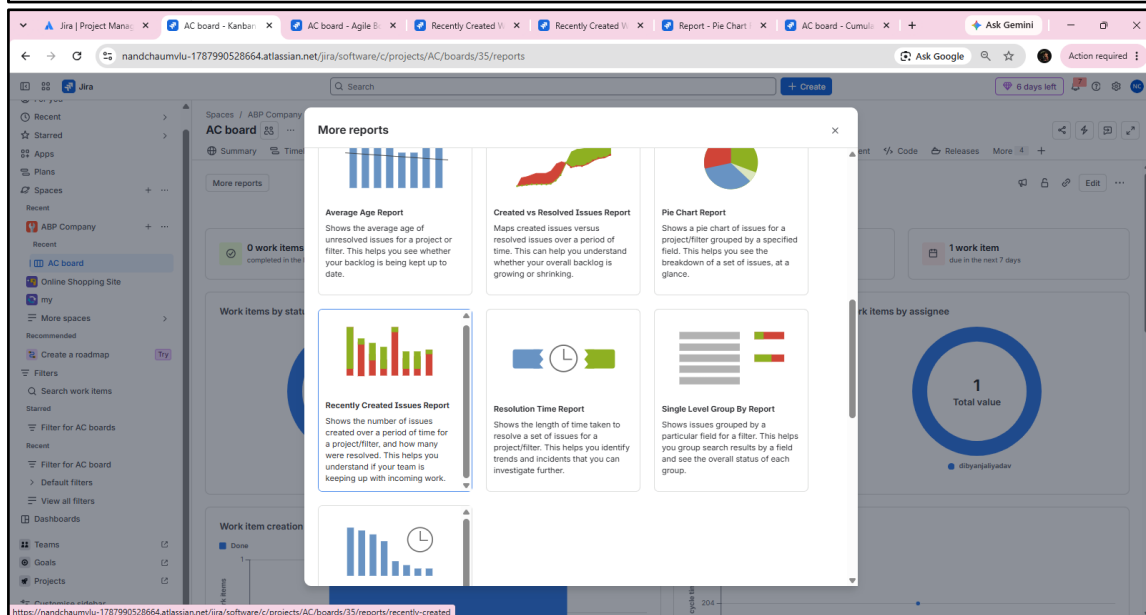

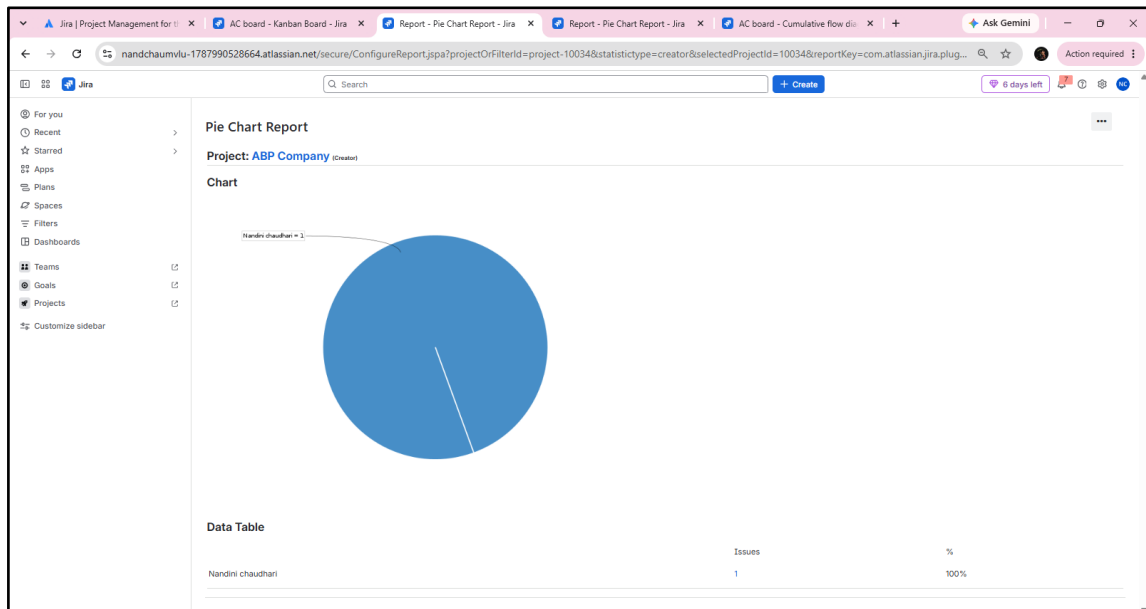

B. Create Pie Chart / Issue Statistics Report.

Steps:-

1. Open the Jira project and go to the **Reports** section.
2. Select **Pie Chart** or **Issue Statistics** report.
3. Select the required project, filter, or issue data.
4. Choose a field such as **Status**, **Priority**, or **Assignee** to display the issues.
5. Generate the report and verify the displayed issue distribution.

Output:-

C. Create a Custom Dashboard with gadgets.

Steps:-

1. Open Jira and go to **Dashboards** → **Create Dashboard**.
2. Enter a suitable name and save the dashboard.

3. Click **Add Gadget** and select the required gadgets.

4. Configure the gadgets using the required project or saved filter.

5. Arrange the gadgets and verify that the dashboard displays the required information.

Output:-
